Have you tried any of the sports or games from exercise 1?  
Which sports and games are you into? Which ones are you good / bad at?

3 1.20 Look at the picture below. What do you think Mrs. Frost is saying?  
Listen and check.

**Mrs. Frost:** I know that you have a lot of imagination, so we have decided to organize a competition for you. This is something we have never done before. You have to think of a new sport or a game and write down the definition and the rules. The winner is the person with the most interesting idea.

**Robbie:** Can we work in teams?

**Mrs. Frost:** Yes, you can, but there can't be more than four students in one team.

**Oliver:** Can it be a combination of two different sports or games?

**Mrs. Frost:** Yes, but it has to be something that nobody has thought of before. Any other questions?

**Lucy:** Can the four of us do it together, Mrs. Frost?

**Mrs. Frost:** Yes, I have already said that. Where have you been, Miss Rivers?

**Amber:** Just look at her! Has this woman ever smiled?

**Lucy:** I don't think so.

- 4  1.21 Look at the pictures. Who has had an idea? Who has received a text message? Listen and check.

- Robbie:** Well, it's more difficult than we could imagine.
- Oliver:** Hold on! I've just had an idea. Have you ever heard of chessboxing?
- Amber:** I haven't. Is it a combination of chess and boxing?
- Oliver:** Yes, but we can combine chess with another sport.
- Lucy:** How about 'chencing' – chess and fencing?
- Amber:** That's a brilliant idea!
- Oliver:** What's the matter, Robbie?
- Robbie:** This is weird. I've just received a text message, but I don't know who it's from. There are only two words – 'Caspian Sea'.
- Oliver:** Wait! They've sent me a message as well!
- Amber:** And I've got one, too!
- Lucy:** And me! It says 'Hadrian'.
- Oliver:** Mine also has only one word – 'Oak'.
- Amber:** Mine too – 'Letter'.
